Dear student,

You have just completed a semester project or a master thesis at our institute. Since we are concerned to provide our students with good assistance and infrastructure, we would like to know your experiences and opinion. Therefore, please fill out and return this form to us. It goes without saying that all answers are optional. In particular you should feel free to return the questionnaire without putting your name on it.

To return the form to us please put it into the secretary’s mailbox in ETF E102. We guarantee you that we will not read the answers until your grade of the project is fixed!

Of course, we also welcome all kind of personal and direct feedback to the professors or the assistants.

Thank you very much for your collaboration.
