Friday 23rd May, 2025

25 Hours Hotel Langstrasse

Workshop 10am–3pm

Reception 3pm–5pm

efutures@qub.ac.uk

Dr Oktay Cetinkaya,
Lecturer in Sensor Systems
University of Newcastle

Merlyne De Souza
Professor of Microelectronics
University of Sheffield

John Goodacre
Professor in Computer Architectures
University of Manchester

Eiman Kanjo
Professor of Pervasive Sensing & TinyML,
Nottingham Trent,
Visiting Professor in tinyML,
Imperial College London

Dr Antonio Lombardo
Associate Professor of Nanostructure
and Devices
University College London

Geoff Merrett
Professor of Electronic & Software
Systems
University of Southampton

Dr Despina Moschou
Senior Lecturer, Electrical and
Electronic Engineering
University of Bath

Oliver Williams
Professor of Experimental Physics
University of Cardiff
